Start date and anticipated end date of construction: \_\_\_\_/\_\_\_\_/\_\_\_\_ until \_\_\_\_/\_\_\_\_/\_\_\_\_

Acreage of distributed area (total area of subdivision in less than 1 acre): \_\_\_\_\_

*I certify under penalty of the law that I understand the terms and conditions of the National Pollutant Discharge Elimination System (NPDES) Construction General Permit (63CFR 36506) that authorizes storm water discharges associated with construction activity from the site identified as part of this certification. Prior to any earthwork or clearing a Notice of Intent (NOI) will be approved by EPA Region Six for this project and I understand I must keep a copy of my Storm Water Pollution Prevention Plan (SWPPP) on site, or posted location thereof available for public viewing. I understand that my project shall not damage the City of Las Cruces' municipal storm water system (MS4). I understand that I may be required to submit additional information as stated in City of Las Cruces Municipal Code Ordinance 2146.*
