SBDC Services that are NOT Available

Currently, due to federal rules, the SBDC is not permitted to provide our regular assistance and direct one-on-one counseling services to existing or planned cannabis businesses.

However, we can offer three specific services, which you might find to be useful (next few slides).

Three Available SBDC Services

These three specific services you might find to be useful:

Numerous no to low cost training and workshops.

Resources available on the SBDC website www.nmsbdc.org for starting a business.

Our 91- Page Disaster Preparedness Guide also available on the SBDC website.

Training

By accessing www.nmsbdc.org, you will find links to current trainings, workshops & events.
