Water Conservation Program

Parameters of variance or reason for denial:

Request for a variance to watering restrictions

The Water Conservation Coordinator has discretion to grant temporary or extended (up to 1 year) variances to the Water Conservation Ordinance in specific situations as specified in the Water Conservation Plan. Please complete this form and mail or email to the Water Conservation Program. If the request is granted, you will be provided with a variance document by mail or email. Please note that you must request the variance at least 5 to 8 business days ahead of time to allow for processing.
